

GUIDANCE FOR OUR VISITORS ATTENDING SERVICES

Welcome to our Synagogue

We are an orthodox Synagogue and would appreciate your co-operation in maintaining the appropriate dress codes and conduct for our Sabbath services as follows, to preserve the dignity of the occasion:

Parking: Please, absolutely no parking in front of the Synagogue.

Mobiles and other equipment: please do not bring mobiles, pagers and cameras onto the premises on Shabbat. They breach the Shabbat laws and create disturbance to the service.

Smoking: There is absolutely no smoking on synagogue premises at any time. It breaches the Shabbat laws and would be offensive.

Dress code: Both men and women must dress modestly. For women, skirts should be of a modest length, so please no miniskirts. Shoulders should be covered so please, no sleeveless dresses. Please do not wear trousers nor see through clothing. Married women must have their heads covered. For men, heads should be covered at all times and trousers must be full length.

Children: Children are welcome. However, we ask that parents keep their children under control. Supervised children's services are provided for all age groups.

Prayer books: They are all in Hebrew and English so that you can follow the service.

Kiddush: Please do not eat or drink until after the Rabbi has made the blessing. Men MUST keep their heads covered AT ALL TIMES while on the Synagogue premises.

Leaving the shul: Please do not congregate outside after the kiddush. This is a security risk for all concerned.

We thank you for respecting these values and hope that you will enjoy the service.
